Hamilton Ultimate Club

Dear Hamilton Ultimate Club:

Thank you so much for the gift of 36 lbs of food this holiday season. Your support will greatly help Hamilton Food Share feed the many individuals and families who will turn to a Christmas hamper program for help this year.

Your food donation will help fill the estimated 10,000 Christmas hampers that will be given out by emergency food centers across the city helping 20,000 people!

These are unusual times, uncertain times. The ailing economy will have an impact on everyone in our community. We know people will be cutting back in almost every home this holiday season. That's what makes your contribution so special. Thank you for keeping people in need on your holiday list this year.

Today we give thanks to you and our local community. We believe Christmas is a special time for families and that all of us together will make that happen for everyone in our community. Your contribution really has assisted in making this day special for others who are in such dire need this holiday season.

May your holiday be filled with the joy that you helped so many others experience on this special day. From all of us here at Hamilton Food Share, we wish you a safe and happy holiday.

Your support has made a difference!

Sincerely,

A handwritten signature in black ink that reads 'M Santucci'.
